

INTERIOR ROADS LTD.

**TRADE JOURNEYMAN HEAVY DUTY MECHANIC
LILLOOET MAINTENANCE YARD
LILLOOET, B.C.**

Interior Roads Ltd. is currently seeking applications for a Trade Journeyman Mechanic vacancy in our shop at Lillooet, B.C. Interested individuals with the appropriate qualifications, and experience in the industry are invited to submit detailed written applications prior to the closing date of May 13, 2011.

This TJ Mechanic position requires a skilled and experienced technician; one who is safety-conscious, production-oriented and self-motivated, to perform diagnostic and repair work on a variety of trucks and equipment under the supervision of a senior tradesman. Successful candidate will be required to supply their own trade-related hand tools and may be required to participate in some shift work and / or field work as necessary.

Applicants must have the following qualifications and experience:

- Trade Journeyman Certificate in Heavy Duty Mechanics
- Experience and / or certification in Automotive Mechanics would also be an asset
- B.C Driver's License, minimum Class 3 with Air, and a positive driving record
- Preferably Grade 12 education; and up-to-date technical knowledge acquired through trade-related courses since achieving TQ certification
- CVIP Certification preferred, or willingness to acquire
- Knowledge and experience in Preventative Maintenance Programs
- Good knowledge of trade-related worksite safety
- Proven recent work experience, preferably in the Road & Bridge Maintenance Industry, involving gravel trucks, plow trucks, winter maintenance attachments, loaders, graders
- Knowledge of International and Cat equipment preferred
- Physically fit and capable of performing job requirements
- Must be willing to relocate to the Lillooet Area

Qualified applicants are invited to send their resumes (complete with detailed information on work experience, specialized skills and abilities, training courses, driver's abstract and references) to:
